July Sprints lost \$2000. The auxiliary events that weekend were profitable.

It was asked that the Comp Board Chair attend BOD meetings prior to the Club Race events.

All specialties should be requested for input on the Club Race Events/Supps.

We may have a financial loss for Club Racing this year.

Comp Board Chair needs to know what the BOD expects (will be invited to the October meeting).

Discussion for 2009:

Raise entry fees by \$20.00 and we will make a profit on the National and Regionals.

Race Chair sets fees, we need to have comp board input prior to the event so the Race Chair knows what the expenses are.

Solo will be doing a year-end review to give information for the 2009 budget.

Solo attendance has averaged 25 members and 40 non-members per weekend which is up nicely and we are doing 8 runs a day.

Mini Indy is September 20th in Williamsport, PA any and all are invited, it's always a good time.
