September 2026 Board Meeting

Tuesday, September 15, 2026

Attendance via Zoom

PRESENT: Ed Zebrowski, Allan Kintz, Chuck Dobbs, Cheryl Zebrowski, Dave Cole, Greg Cliburn, Kyle Colbey, Pauline Colbey, Bob Gillespie, Dallas Zebrowski, Dave Colbey, Rob Craig

GUESTS: Mike Toombs

CALL TO ORDER: 7:05 PM

MOTION: Kyle, Cheryl: Approve minutes from August as presented. CARRIED.

TREASURER: Currently \$13k in checking - moved \$70k back into investments in August. \$558k total in investments split between \$172k in regular account and \$385k in Meddaugh account.

MEMBERSHIP: 248 members at the moment with 4 expired/not renewed and 2 known renewals. Happy Birthday to Cheryl! Dave has a new Grid person joining the region from RSI.

ACTIVITIES: Annual Meeting scheduled for 11/21 at 7pm with the usual monthly board meeting at 6pm. Awards Banquet last year was at the Corning Radisson. Looking ahead to 2027, wondering what dates would work for a Saturday in 2027.

DISCUSSION: Topic has come up regarding the Annual Meeting time and potentially changing it in the By-Laws. Apparently, according to NYS corporate law, we have to declare our Annual Meeting time in our By-Laws - which is currently 7pm. It would be a By-Laws change by the region to just change the time. May be possible to proposed and vote on a change this year leading up to the Annual Meeting planned to take effect in 2027.

MOTION: Chuck, Cheryl: Look into process of changing the time of the Annual Meeting from 7pm to 2pm with all other details unchanged. CARRIED.

DISCUSSION: Chuck suggesting we consider changing official Glen Region communications to a digital/email method in the future. Would likely require a By-Laws change and may need to be investigated further to determine exact changes needed and details around them. Will look into further in the future - may form a committee as needed.

WEBSITE: No major changes. Have been completing requested updates and Solo schedule changes. Per Mike Toombs, new SCCA website is still "coming soon". Was supposed to be updated in August but was not - and now estimated in October.

GREEN GRAND PRIX: Expecting Toyota and Doris Bovee Foundation to continue as sponsors for 2027 and will be pursuing BAE as a potential sponsor. Have also been approached by Woodland Biomass Innovations (a startup from PA) to potentially also sponsor. Also question from someone at Alfred regarding potentially running some sort of dune buggy vehicle at the autocross next year. Trying to determine eligibility. Will need to get some more info, possibly photos, and reference eligibility details in the Solo rules.

CLUB RACING: Tentative dates to 2027 include Super Tour from June 18-20 and Sprints from July 31-Aug 1. No tentative dates for Fun One yet. A few dates have been suggested or offered but most are less than ideal vs other events, holidays, etc.

SOLO: No major updates. Next event is this Saturday at WGI Media Lot which is the rescheduled event from last month. Will be followed by a regularly scheduled event on the 27th.

NOMINATING COMMITTEE: Three director seats are open (all with options to rerun). So far sounds like one departing director has declined, leaving an opening, and another has not responded. Dave may already have at least one volunteer. Draft Ballot is due to the secretary on September 22 (one week from tonight).

ADJOURN: 8:10 pm

Respectfully submitted,
Allan Kintz
2026 Glen Region Secretary
