Glen Region, Sports Car Club of America July Sprints Regional Races

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on July 7th and 8th of 2018. The weekend consisted of seven (7) race groups. The races used a sanction number of 18-RQ-5485-S.

On Saturday morning, each race group had a 20 minute qualifying session. Group 1 and 2 received an early checker. After a lunch break, each group had a 20 minute qualifying race that was based on the morning qualifying results. Group 5 had an early checker for an on-track clean-up. On Sunday morning, each group had another 15 minute qualifying session. After the qualifying sessions, there was a 25 minute contingency race. The race grid was based upon a merge of the best time in either qualifying session or Saturday race. Group 1 ran their race before lunch. Group 2, 4, and 7 had extended full course yellows during their race for on track incidents. Group 5 was checkered early. All other groups ran to the correct 25 minute length.

The timing and scoring group was staffed with 5 all weekend. While the worker count could have been better, the whole crew did an awesome job!
