GUESTS:

CALL TO ORDER: 7:00 pm

MOTION: Phil, Cheryl: Accept May minutes as presented. CARRIED.

TREASURER (Jennifer): \$44.9k in checking, \$131.2k in investments. WGI has been paid for the Sprints. Check for timing equipment to be sent this week to FLR. Have an SCCA invoice to be paid.

MEMBERSHIP (Pauline): Currently 269 with 11 new and 23 renewals since last month.

ACTIVITIES (Cheryl): Nothing to report.

WEBSITE: Appears to be doing well. No update on stability issues.

SOLO: Had 24 entries for last event with 10 runs each. Had a minor noise complaint and then another complaint which turned into great ideas for next event planning. Overall a successful event. Kudos to the Solo committee for hard work, planning, and de-escalation.

CLUB RACING: Replaced the network link from the tower and T&S outpost (approx \$90, shared with FL). Currently at 76 entries for the Sprints. Set for catering with sandwich lunches in Media Center. RSI to host a pig roast for workers at the campground - all SCCA volunteers/workers invited.

DISCUSSIONS: HRG numbers dwindling. May be taking away time from other groups. Will need to reevaluate. Facebook discussions and emails regarding semantics/language of the Supps for the Springs (re: Race vs Practice). Will consider possible wording change in the future. Super Tour ended with 248 entries - was a good turnout for the year. Will need to consider possible lunch options based on costs previously discussed.

NOMINATING COMMITTEE: Time to start thinking about options!

ADDITIONAL DISCUSSION: Concern of F&C staff for Super Tour - could lead to race stoppage or changes in the weekend. Continues to be ongoing issue discussed at contract renewal.

ADJOURN: 8:03 pm
