

## Glen Region SCCA

October 2022 Board Meeting

Tuesday, October 18, 2022

Attendance via Zoom

PRESENT: Ed Zebrowski, Chris Camadella, Kyle Colbey, Rob Craig, Phil Kelley, Cheryl Zebrowski, Pat Scopelliti, Steve Goldberg, Chuck Dobbs

GUESTS:

CALL TO ORDER: 7:30 pm

MOTION: Chris, Cheryl: Approve September minutes as presented. CARRIED.

CLUB RACING: Unofficial dates for 2023 races, Super Tour: June 2-4, July Sprints: July 1-2. Have some interest from a Canadian racing organization for the July Sprints (FelDrive.com?) and possibly Radical Cup. Looking for track time, willing to pay. Have two groups and each would need 2x 20 min sessions and 1x 40 min session per day, per group. Works out to almost 3 additional hours per day BEFORE changeover times. Likely to cost \$25k-30k just in track time/overtime before factoring in sanction, insurance, etc. Likely not enough actual time in the day to pull it off. Could run into time issues with the track and even more fees for going past certain hours. Ultimately need more info/discussion - is it possible, how many cars, do they want to pay that much? Not sure of their expectations on cost.

SCHEDULING MEETING: July Sprints will again be a divisional series race. Super Tour set for first weekend in June (still unofficial from WGI). Past attendance shows higher attendance when Runoffs are close and more NEDiv drivers going to Runoffs. 2023 Runoffs set for VIR.

DISCUSSION: Additional Sprints info from Cheryl: currently talking to FV series and Ray Carmody. Not planning to invite HRG (just can't get enough cars, consistent car count), at least for their own race group. Still welcome to attend if they fit into other groups. Also talking to S2000 groups but there were only 6 cars with 4 starting on Sunday. Depending on the group may just need an agreement with a minimum number of cars for their own group and if not they get moved into an existing group.

SOLO: Some discussion on scheduling of events - especially around our events vs Seneca Army Depot events. 2022 season did conclude with +\$50 - which is really good considering expenditures (like helmets) and turnout. Likely would be able to make money moving forward again, even with low car counts - would depend on site rental fees. WGI was also really helpful for the Solo events with the new management. Always looking for ways to get involvement from more people.

DISCUSSION: Some discussion around iRacing + SCCA.

AWARDS: Discussion of end of year awards and what to hand out. May have some non-performance awards due to a good number of really helpful volunteers. Also thinking about having awards in slightly warmer weather.

ANNUAL MEETING: Set for 11/19. Doors open at 5pm, monthly meeting at 6pm, Annual Meeting at 7pm. Steve to pick up some food. Cheryl/Chuck already not able to make it.

ADJOURN: 8:00 pm

As recorded by Chris Camadella, respectfully submitted,
