

# *The July Sprints*

Attached are the results of the July Sprints, presented by the Glen Region SCCA, Inc. This event was held on the 3.4 mile Watkins Glen International road course July 26-27, 2008 in Watkins Glen, NY under sanction #08-R-185-S.

Saturday's schedule included 14 minute qualifying sessions (by group) which set the starting grid for the seven lap qualifying races held that day. The results of the qualifying races determined the grids for Sunday's 12 lap races. There were 192 cars on course divided into nine groups. Temperatures were in the high 70's to low 80's on both days with moderate humidity. All sessions were run on a dry track under partly cloudy skies.

The AMB transponder system was used for timing the qualifying sessions, and scoring for the races was accomplished with two independent lapcharts. There were 8 workers in Timing & Scoring representing the Central New York, Finger Lakes, Glen, Mohawk Hudson, Northern New Jersey, New England, and New York SCCA regions. Senior members were: Marie Sheehe, Results; Carl Dresie, Timing Captain; and Roberta Flowers, Scoring Captain.

The following four new lap records were set on Sunday, July 27th:

ITR	Dan Jones	BMW	2:14.281	91.152 mph
