

Digital Dome  
360° awesome!

# See what your car can do!

## Digital Dome Grand Prix

Sunday August 27<sup>th</sup>  
Corning Community College  
Classroom Lot

### What is it?

FUN. Competitive time trials, one car at a time, on a pylon road course setup in large parking lot to test you and your car's limits without barriers or other cars.

A low cost, low risk introduction to motorsports

### Can I do this?

YES! If you always wanted to find out what competitive motorsports takes, this is it!

We have instructors and friendly people to help!

### What does it take? NOT MUCH.

- A low center of gravity vehicle (no SUVs, 4x4s)
- \$40 for SCCA members
- \$60 for non-members (we credit difference towards membership)
- Helmet: Snell SA2010/M2010 spec or we have loaners
- Valid driver's license
- Sanctioned and insured by the Sports Car Club of America
- **All are welcome: no experience required, spectators too!**
