

Glen Region SCCA

December 2025 Board Meeting

Tuesday, December 16, 2025

Attendance online via Zoom

PRESENT: Steve Goldberg, Allan Kintz, Ed Zebrowski, Nick Domster, Dallas Zebrowski, Kyle Colbey, Cheryl Zebrowski, Greg Cliburn, Pauline Colbey, Rob Craig, Chuck Dobbs, Bob Gillespie, Dave Colbey

CALL TO ORDER: 7:05 pm

MOTION: Steve, Chuck: Accept November minutes as presented. CARRIED.

TREASURER: \$176k in regular investments. Still \$395k in Meddaugh account. And \$13k in checking account.

MEMBERSHIP: Currently 265 members - no new, but 2 expiring.

ACTIVITIES: Awards Banquet still set for Jan 17 starting at noon at the Corning Radisson. Currently working on menu - but have encountered new management at the hotel. Just getting through all of that. Once the menu is set, we'll know the cost/price to members. Some challenges so far with menu proposals from catering.

WEBSITE: Up-to-date so far but will have to update region officers/directors. Also region 10 director is changing on national board.

CLUB RACING: Have been asked by WGI if we would be interested in insuring the test day. Overall region not interested but could push it out to national office and risk management if needed.

SOLO: No updates - but awards are ready to pick up for the banquet. Contact at Chemung Speedrome has officially changed - at least past promoter has left. Unsure of new promoter. Past person has moved to Shangri-La so hoping to maintain that contact through SNY region with that as an available site.

TAXES: No updates on actual taxes but will need to look for new options for next year. Seemed to get a little bait and switch from the new preparer we used this past year despite Greg doing the majority of the work.

2026 MEETINGS: Plan to remain third Tuesday and via Zoom for next year. Watkins Library still not open later in the evening like it was before COVID, so will stick to Zoom for now.

NEDIV CONVENTION: Scheduled for Feb 21 next year.

NATIONAL CONVENTION: Again scheduled for January. Should have detail from national office available.

GREEN GRAND PRIX: Currently confirming sponsorships. Doris Bovee foundation will sponsor again. Have a new contact for Toyota organization and still waiting on approval. Don't expect issues, but still waiting. Williams Toyota will again sponsor autocross awards. Trying to get Toyota to bring new bZ model EV. Board of Directors has asked about possibly getting some sort of Corning glass piece for a trophy. Would expect that may need to come from the museum (CMOG) vs "Corning". Rob to check with an internal contact.

2026 CLUB RACING: Dates still the same so far (no contracts yet) for 2026 season. Glen Region has May 30-31 for Sprints and FLR will have the Super Tour and Fun One.

ADJOURN: 7:45 pm

Respectfully submitted,
Allan Kintz
