Editor's Report

A new editor, a new SparkPlug?

According to the ancient scrolls of our forefathers, we've had the same SparkPlug editor for about 13 years now. That's a LONG time to be doing the same job. We should probably all be bowing down to Barb Luther for the work (and patience!) she has put into our newsletter over the years.

I now take on this role, hoping to mostly not embarrass myself, but really hoping to continue providing an informative publication that will benefit all members of our region. As I settle into this particular job, please do critique me. Please offer suggestions. And please, thank Barb Luther next time you see/talk to her for all of the time and effort she's put into SparkPlug in those last 13 years.
