Attendance via Zoom

PRESENT: Ed Zebrowski, Kyle Colbey, Allan Kintz, Pauline Colbey, Pat Scopelliti, Chris Camadella, Tim Meddaugh, Jennifer Kintz, Cheryl Zebrowski, Steve Goldberg, Chuck Dobbs, Phil Kelley

GUESTS:

CALL TO ORDER: 7:00 pm

MOTION: Chris, Cheryl: Approve August minutes as presented. CARRIED.

CORRESPONDENCE: Mailbox left a notice that it was going to expire. Jen recently paid and it is good until 2023.

TREASURER: Currently \$61k in checking and \$124k in investments (slightly down). Everything know is paid except for a new invoice from the SCCA just received. Pat also shared a chart of past checking and investments balances.

MEMBERSHIP: Down a couple to 269 for this month. A few expirations.

ACTIVITIES: Will have the annual meeting coming up. Planned for 11/19 - Cheryl to reach out to IMRRC to confirm. May ask for some help when needed.

WEBSITE: Has been performing OK but still no word from host about issues or potential issues.

SOLO: Held another event this past weekend at WGI using the older media/TV lot (have used in the past). Had 18 entries and 14 runs. Event should break even after WGI fees. Have lost a T&S transmitter after being hit. Cost to fix would have been \$60+shipping, MINIMUM. Pat has ordered a replacement for \$95. Logistics were smooth with the track - despite some confusion on where the Solo event was being held (while the Fun One was running). One more Solo for 2022 on Oct 18 at the same media/TV lot. Out of Region event has changed from SNY event to FLR event on 10/2 at the Army Depot. Many thanks to everyone that helped with the event.

GREEN GRAND PRIX: Alfred State will be promoting GGP at events in Buffalo area this fall. Have banner stands made and will have some promotion happening.

CLUB RACING: May try to run FV Challenge series and possibly S2000s. Working on details and possibilities looking into next year. Have also heard from another member about some possible Canada entries - but not sure yet if that would be a unique series or group or if they would integrate into existing groups. Have had a request from NEDiv about possibly running a time trial event along with the Sprints but light on details so far.

NOMINATING COMMITTEE: Everyone agreed to rerun except Brett - so will need to find a replacement option.

EDU GRANT: Need a decision on possible educational grant for this year to be awarded at the annual meeting. Need to include nomination form with annual meeting notice.

MOTION: Phil, Kyle: Offer a \$250 education grant for the 2022 year. CARRIED.

ADJOURN: 7:45 pm

Respectfully submitted,
Allan Kintz
