## **Glen Region, Sports Car Club of America July Sprints SCCA Regional Race**

The event was held at Watkins Glen International on the 3.40 mile "long" course for all races. The event occurred on July 21<sup>st</sup> to 22<sup>nd</sup> of 2012. The event consisted of eight (8) regional race groups and a ProIT race. The regional race groups ran in a qualifying race and a contingency race. All races were held under a single sanction number of 12-RR-2102-S.

The schedule gave the 8 race groups a Saturday morning qualifying of 15 minutes. The ProIT field then ran their 30 minute qualifying session before lunch. Saturday afternoon would see the regional race groups run a seven lap qualifying race based on the morning qualifying times. The results of the qualifying race would set the grid for Sunday's races. Group 1's qualifying race had an accident that caused an extended black flag all, but ran the full length. Group 2's qualifying race had an extended clean-up, but again the race was run to the full length. Sunday morning had the ProIT group run a 45 minute race. After this, the eight regional race groups had a 12 lap race. All races occurred according to schedule, with the only the two groups having a large disparity in their overall race time.

The timing and scoring group was staffed was well staffed with 8 on Saturday and 8 on Sunday. Without these volunteers, the event would not be possible. Congratulations to all for a job well done!
