Glen Region, Sports Car Club of America Last Chance SCCA Regional Race

The event was held at Watkins Glen International. For the test session and drivers' school, the "short" 2.45 mile course was used. For all of the weekend races, the "long" 3.40 mile course was used. The event occurred on October 5th to the 7th of 2012. The drivers' school was two groups. The practice session was a single group. The regional races consisted of five (5) regional race groups. There was also a JTCC race, a ProIT race and an enduro. The regional race groups ran in only one race, which is their contingency race. The drivers' school had the sanction number of 12-DS-2103-S. The practice session used the sanction 12-PD-2316-S. The regional used a sanction number of 12-R-2104-S. The JTCC race used a sanction number of 12-OGR-2326-S. The Pro-IT race used a sanction number of 12-OGR-2325-S. The enduro used a sanction number of 12-E-2105-S.

The schedule gave the students first access to the track on Friday with the test session drivers alternating through the day. On Saturday, the 5 race groups had a Saturday morning qualifying of 25 minutes. The first regional 35 minute race was run before lunch. The ProIT field then ran their 20 minute qualifying session after lunch. Saturday afternoon would see the remaining regional race groups run a 35 minute race. As a note, group 2 and group 6 were combined and run in group 6's position in the race rotation. The last race of the day was the JTCC group, with a 40 minute race. Sunday morning had the ProIT group run a 55 minute race. After this, the enduro qualifying took place with a scheduled length of one hour. This was, however, black flagged and ended early due to an accident requiring extended clean-up. In the afternoon, the four hour enduro was held.

The timing and scoring group was staffed was well staffed during the weekend with 8 on Saturday and 8 on Sunday. One Friday, there was only one worker. Without these volunteers, the event would not be possible. Congratulations to all for a job well done!
