## **Glen Region, Sports Car Club of America US Majors Tour SCCA Race**

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on June 24th to 26th, 2016. The event consisted of seven (7) race groups. For the entire weekend, the weather was sunny with highs in the mid or upper 80s°F and humid. The sanction number for the weekend was 16-M-4057-S.

On Friday, there was a morning practice for each group that was scheduled for 20 minutes. Unfortunately, only group 3 went the entire scheduled length, due to on-track incidents. Friday afternoon there was a 20 minute qualifying session for each group. The afternoon went much smoother, with group 2 being the only session that was interrupted by a black flag all. On Saturday, the morning started with a second 15 minute qualifying for each group. In these sessions, group 4 and 7 had their sessions cut short. An incident during group 7 qualifying in T3 ("the esses") caused a lengthy repair of the fencing. As a result, all of the Saturday afternoon races were cut to 20 minutes in length, and group 7's race was moved to Sunday morning. Of these shorter races, group 3 and 5 were both checkered early, but both covered more than half the original length as stated on the supps. Sunday morning started with a separate warm-up for closed and open wheel cars. Each of the warm-ups was 15 minutes. After that, group 7 had their first race. Following that race, each group then had a 35 minute or 15 lap race. In this set of races, both group 5 and 6 had their race checker early. Group 5 was checkered on 10 laps, and group 6 on 14 laps.

The timing and scoring group was staffed with 9 on Friday, 10 on Saturday and 10 on Sunday. The group did a great job. The new track surface is extremely grippy, and I think cooler conditions will make it ripe for lots more track records to fall. Until next time, let's race!
