Glen Region, Sports Car Club of America

Glen Region, Sports Car Club of America July Sprints SCCA Regional Race

The event was held at Watkins Glen International, with all of the sessions occurring on the "long" 3.4 mile course. The event occurred on July 8th and 9th of 2017. The regional races consisted of seven race groups. The contingency races for the regional groups were on Sunday, the 9th. The ProIT group had only one race, which was considered the contingency race. The regional races used a sanction number of 17-RQ-4917-S. The ProIT race used a sanction number of 17-OGR-4918-S.

On Saturday, each of the seven race groups had a qualifying session of 15 minutes, with the first ProIT qualifying was 15 minutes in length as well. Qualifying results for the regional groups set the grid for the afternoon qualifying races, each were scheduled to be 20 minutes in length. There was a loop issue for group 1, so no times were recorded. The drivers provided a lap time to set their grid. Group 5, 6 and 7 all had their races shortened to 17 minutes. On Sunday, ProIT had another 15 minute qualifying session to start the day then the seven race groups had another qualifying session that was 10 minutes in length. ProIT had their grid set as a merge of the previous qualifying sessions. The ProIT race was 45 minute and happened before lunch. The afternoon regional races were based on a merge of the best laps of all of the previous sessions (qualifying or qual race). The races were scheduled for 20 minutes in length, but group 3 had an early checker. All following groups had an 18 minute race (group 6 was further shortened by an early checker at 16 minutes).

I was not able to attend the race, as I was working for SCCA Pro on the same weekend. The timing and scoring crew did a great job, and I am thankful they were able to run a very smooth event.
